## LOVE ONE ANOTHER

**A new command I give to you, that you love one another;  
as I have loved you, that you also love one another.  
By this all will know that you are My disciples,  
if you have love for one another.**

*John 13:34-35 NKJV*

Jesus was on to something when He told us to love one another. We need to look no further than our daily news to find evidence that as humans, we are truly failing in this edict. If we start with God's love and then do our humanly best to stick to it, we'd be both amazed and very pleased with where we end up. More often than not, we just don't get there. The stories get worse with each passing day - the indifference, cruelty and anger that just make our world unravel into something that we're hard-pressed to recognize sometimes.

This summer at camp, a little boy ran up to his counselor at the pool, excited and busting with good news - **"I just accepted Jesus as my Saviour!!!"** Wonderful news, but how is this possible? What put this event in motion? How was this little one able to find salvation, comfort and peace all at once?

Because of love.

Jesus loved us so much that He suffered indifference, cruelty and anger, all to die on an awful cross for a whole world of sins that He had nothing to do with. Because of love. His love. That little boy recognized that love and said, "I want that. And I want it now!"

So Jesus wants us to model that love to everyone in our lives, no matter who it is. This summer at camp, kids are learning about this awesome love that Jesus has for them, in a world that has less and less love in it daily. How different our news headlines would be if we tried our best to follow His calling. Most importantly, how wonderful would it be for the people in our lives to hear the Gospel, and to give the awesome news, "I just accepted Jesus as my Saviour!"

# A WONDERFUL GIFT FOR MOUNTAIN VIEW

**Mountain View** was the beneficiary of a wonderful gift - all new LED lights all throughout the camp! Through a program from BGE (Baltimore Gas & Electric), every light in the camp, inside and out, was replaced with these awesome little wonders. They look amazing and will be such a cost-savings for the future. Many thanks to Mr. Yong Kim, the contractor for BGE who donated the labor and materials and has made camp extra bright!
